

# Steps in the Right Direction

DWAP's goal is to provide instruction, interaction and inspiration to help young people deal with the challenges of everyday life ... through dance and inspirational speakers.

We want to provide a place where kids will be free to express themselves in dance. It will be a fun and positive environment in which our youth can come together and enjoy being with their peers in a non-judgemental atmosphere.

Dancing with a Purpose is open to all Center Grove Middle School and High School students.

So tell all the teenagers you know to put on their dancing shoes and come visit DWAP. No dance experience is necessary ... and from the 1st dance lesson to the last, teens will be able to jump right in and start learning. Even if a student wants to join half way through the 8-week session... No Problem.

We'll see you on the dance floor!!
