Your Best Year Ever

Week 2 - Developing a Vision & a Plan

Danny Anderson

January 7/8, 2012

Everyone ends up somewhere, only a few end up somewhere on purpose.

Your best year ever will not happen by accident.

- *The plans of the diligent lead surely to abundance, but everyone who is hasty comes only to poverty.*
- Proverbs 21:5

A great year happens when you live one great week after another.

Great weeks are not decided by circumstances, but by sticking to a plan.

In order to have your best year ever, you need to develop a vision for every area of your life.

- "A vision is a picture of the future that produces passion." - Bill Hybels
- *Where there is no vision, the people perish...*
- Proverbs 29:18

Having a vision focuses your life.
